Contract - Unlimited Lamp/Starter Replacement - £18/£20/£23/£25/£28 per Owner per Annum. The contract will renew automatically upon payment every year (If the cost increases the following year the owners will be informed in advance). In compliance with the Tenement Scotland Act 2004 you (the owners) will have to acquire an overall majority to proceed. The Point of Contact will be required to collect the monies from owners. By signing this document you are confirming you are the legal owner of the property and have obtained permission from other residents to allow Lightbulb Moments to carry out lighting maintenance in the above stair. This contract is for tube replacement, starters, timeclock syncing and repairs to existing equipment only and not for any other additional works requiring parts or fittings. All investigations will be free of charge.
